

Technical drawing of a mechanical part. The drawing shows a cross-section of a component with a central vertical axis. The top section is a cylinder with a diameter of 2.0. Below this is a wider section with a central semi-circular cutout. The bottom section is a base with two small rectangular feet. Dimensions are indicated in red: 2.0 for the top diameter, 0.3 for the thickness of the top section, 2.0 for the diameter of the central cutout, and L for the height of the top section. A section line is shown with the letter G.

 $L = 3.0 \text{ mm}$
