

A technical line drawing of a car chassis, viewed from the side. A red dashed vertical line indicates the centerline. The engine, labeled 'X3', is positioned on the left side of the chassis, towards the front. The chassis includes various components like the engine block, transmission, and suspension parts.

Technical drawing of the Mating Bottom Face of a plug. The drawing shows a cross-section of the plug with dimensions: 6.65 (total length), 2.45 (length of the tapered section), and 5.05 (length of the cylindrical section). The tapered section has a maximum length of 6.5 mm. The plug is shown mating with a bottom face, which is labeled "MATING BOTTOM FACE" and "MATING CONDITION (REF.)".
